

Master's Programme

Wildau Institute of Technology e.V.

MASTER OF AVIATION MANAGEMENT

MASTER OF AVIATION MANAGEMENT

Master's Programme part-time. Full-time option available.

Aviation remains one of the most dynamic business sectors in the world. Innovative technologies, ecological requirements and increasing competition have transformed the structure of the industry dramatically. Therefore, there is a growing demand for a new generation of professionals with a deep understanding of the global value-chain in aviation ranging from aircraft manufacturing to the airlines, including airports and infrastructural services such as air traffic control.

Duration of Studies

- 4 semesters

Final Degree

- Master of Aviation Management

Language of Instruction

- English

Entrance Requirements

- University-level qualification (Bachelor's degree, Diploma degree)
- Fluent command of English (Level C1 CEFR)
- Minimum of one year of professional experience

Industry Partners

- Berlin-Brandenburg Aerospace Alliance (BBAA)

WIT

“During my studies, I not only have learned a lot about how different aviation sectors are interconnected. Thanks to my professors and peers, I was able to establish a network of experts in the aviation field. Overall, I would strongly recommend this program to those aspirants who have a prior aviation background and who thrive to acquire further in the aviation industry.”

Vivek Sathyanarayana,
Project Manager, P3 Engineering GmbH,
Graduate and Lecturer Aviation Management

Studies with excellent prospects

- Innovative courses of study
- Practice-oriented curriculum

Study successfully

- Small study groups
- Close contact to professors

Fit for the Job

- THConnect – Wildauer Company contact fair
- Business start-up consultation

Ideal location

- City railway station on the campus
- Only 30 minutes to the city centre of Berlin

Campus Life

- Sports, culture and parties

- Accommodation for students on the campus

Family-friendly university

- Studying with a child? No problem!
- Day-care for children in our kindergarten

Healthy university

- Diverse health-care and prevention services to ensure healthy studies
- Consultant and physician for preventive measures provide advice and information on campus
- Health and campaign days during the semester
- In co-operation with the Techniker Krankenkasse

Postal address

📍 Technische Hochschule Wildau
Hochschulring 1, 15745 Wildau
