

An aerial photograph of a volcanic landscape. In the center, a large, prominent volcano with a conical shape rises above the surrounding terrain. The landscape is dotted with numerous smaller, rounded volcanic hills, likely cinder cones, scattered across a valley. The vegetation is dense and green, covering the slopes of the volcanoes. The sky is clear and light blue, suggesting a bright day. The overall scene depicts a vast, active volcanic region.

A wide-angle landscape photograph of a volcanic region, likely the Massif Central in France. The scene is dominated by rolling green hills and a prominent, conical volcano in the center. The sky is a pale, hazy blue, suggesting a clear but slightly overcast day. The foreground shows a dense forest of green trees.
