

## Publishing agreement

The submitting author certifies that he/she is authorized by his/her co-authors to enter this agreement. He/she warrant on behalf of himself/herself and his/her co-authors that the contribution is original, has not been formally published in any other peer-reviewed publication, is not under consideration by any other journal, and does not infringe any existing copyright or any other third party rights. Furthermore, he/she certifies that the contribution contains nothing that is unlawful, libellous, or which would, if published, constitute a breach of contract or of confidence or of a commitment to secrecy. With regard to third-party material, the submitting author confirms that all reproduction permissions for any previously published material were obtained. He/she also declares that the authors took due care to ensure the contribution's integrity. The authors grant TIB Open Publishing (Technische Informationsbibliothek (TIB), Welfengarten 1B, 30167 Hannover, Germany) the right to publish the contribution and identify itself as the original publisher. TIB Open Publishing has the non-exclusive right to provide worldwide access, to provide long-term storage, and to distribute published content and metadata (including abstract and references) to Crossref for DOI registration as well as to various libraries, repositories, search engines, databases, and abstracting and indexing services. Metadata incl. abstract of the contribution are distributed under the conditions of the CC0 1.0 Universal (CC0 1.0) Public Domain Dedication (<http://creativecommons.org/publicdomain/zero/1.0/>). On behalf of himself/herself and all co-authors he/she agrees that the accepted contribution is licensed under the Creative Commons Attribution License 4.0. (<https://creativecommons.org/licenses/by/4.0/legalcode>). TIB Open Publishing may terminate the distribution of the publication and/or remove them from its services in the event of imminent or actual infringement of rights.

The submitting author grants TIB Open Publishing and the conference organizers the permission to upload the contribution to the publishing platform of TIB Open Publishing, create author user accounts and accept the terms of use of the platform on his/her behalf for this purpose.
